

Introduction (Organizations)

Pat Heydlauff (Pat Hide loff) is President of Energy Design – a company dedicated to designing personal and professional environments that promote work/life balance and prosperity. A non-profit industry veteran CEO, Pat is a pioneer "flow of focus" environment and leadership strategist.

Her programs are groundbreaking; filled with strategies and techniques designed to empower you to build and strengthen existing home and workplace environments so that focused engagement is unleashed increasing productivity and performance and improving balance and prosperity.

Her forthcoming book, **Focus • Connect • Regenerate**, *7 Ways to Lead and Fuel Sustainability*, is based on her premise that a bold leadership roadmap to the future unleashes and harnesses the "flow of focus" within the workplace. She is an expert in the time-tested philosophy of Feng Shui (fung schway), and authored the “how to” books, *Feng Shui, So Easy a Child Can Do It* and *Selling Your Home with a Competitive Edge*.

Pat’s passion is to empower organizations and individuals to build and strengthen their existing workplace and home environments so that work/life balance is the norm and prosperity increases. Please help me welcome Pat Heydlauff!
