

Pat Heydlauff

Are you looking for more **work/life balance**? Would you like to **fuel** your **prosperity**? Is your ultimate goal to seek greater **prosperity** and **abundance** in your life?

Pat Heydlauff can take you there.

Join Pat as she engages, informs and inspires audiences to reduce stress, improve work/life balance and increase prosperity.

Allow Pat's **25 years of experience and research** – her **Signature** mix of **traditional workforce strategies** and **eastern environmental philosophies** to turn your home or work into a healthy, prosperous environment.

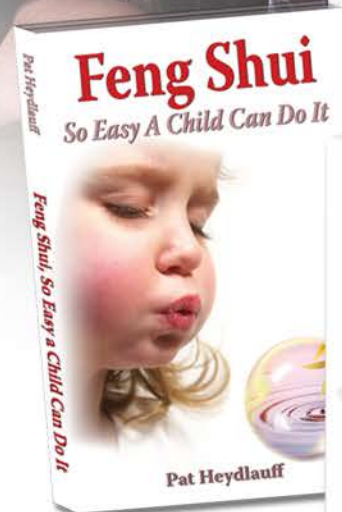

Why demand any less for your home or business than the expertise and strategies that Pat has to offer?

Pat teaches the powerful art of **Energy by Design** with a focus on the three most prevalent issues...

- **Reducing stress**
- **Increasing prosperity**
- **Improving work/life balance**

Pat, a “**flow of work/life balance**” expert, speaker and consultant, designs home and workplace environments that **reduce stress and increase prosperity**. Stress and chaos can destroy the work-life balance and prosperity both individually and organizationally unless it is focused on with united goals. Working with the end in mind, Pat enables clients and organizations to **envision the future they want**. She starts with the what, why and where they are today, empowers them with the how and **a touch of Feng Shui** to achieve their end goals. Her passion is to empower organizations and individuals to build and strengthen their existing workplace and home environments so that work/life balance is the norm and **prosperity increases**.
